The Federation of the European Zeolite Associations (FEZA) together with the French Zeolite Group extend a cordial invitation to PhD students, young researchers and industrial newcomers to participate to the

2nd INTERNATIONAL FEZA SCHOOL
which will be organized at the “Université Pierre et Marie Curie” in Paris, on September 1-2 2008

The objective of the 2nd FEZA School is to highlight the current state of the art in characterization techniques of zeolites and other porous materials

The number of participants will be limited to 100.

FEZA SCHOOL REGISTRATION

- Standard registration including a “school dinner” before 31 May 2008
  200 €

- Combined registration “school and conference” before 31 May 2008
  - Standard
    690 €
  - Students with justification
    480 €

The organizing committee will be able to grant a financial assistance to a small number of applicants.

DEADLINES

2007 Sep 30  Submission of 2 page abstracts
2007 Nov 30  Notification of acceptance, third circular
2008 Jan 31  Submission of camera-ready manuscript
2008 Mar 31  Submission of revised manuscript
2008 Apr 30  Early-bird registration
2008 May 31  Feza School registration

CORRESPONDENCE

Pr. Antoine Gédéon
FEZA 2008 UPMC, laboratoire SIEN
4, place Jussieu, case 196
75252 Paris cedex 05 – France
Tel 33.1.44.27.55.29
Fax 33.1.44.27.55.36
Email : feza2008@ccr.jussieu.fr

The organizers hope that the beauty of Paris together with a top scientific programme will attract a high number of participants.

INVITATION
The organizing committee cordially invites you to attend the 4th INTERNATIONAL FEZA CONFERENCE which will be held on September 2-6, 2008 in the "Collège de France" situated in the historic center of Paris near the “Ile Saint-Louis”, the “Quartier Latin”, “La Sorbonne” and “Notre-Dame-de-Paris”.

This conference is a continuation of the series of European Zeolite Conferences started in Eger 1999 (Hungary) followed by Taormina 2002 (Italy) and Prague 2005 (Czech Republic).

SCOPE OF THE CONFERENCE
The conference will be devoted to recent results of basic and applied research on zeolites, microporous and mesoporous molecular sieves, pillared clays, sol-gel chemistry and related materials.

The major topics of the 4th International FEZA Conference will include:

LANGUAGE
English will be the official language of the conference

PLENARY LECTURES
Six speakers have been invited to deliver Plenary Lectures summarizing the latest advances in major areas of porous materials research:
1. F. Fajula Institut Charles Gerhart, Montpellier
2. G. Ferey Institut Lavoisier, Université de Versailles
3. R. E Morris University of St Andrews
4. M. S. Rigutto Shell Company
5. M. Vallet-Regi Universidad Complutense de Madrid
6. B. Weckhuysen Utrecht University

ORGANIZING COMMITTEE
Chairman: A. Gédéon
Vice-chairpersons: F. Babonneau, P. Massiani
Secretary: M.A. Springuel-Huet
Treasurer: J.-L. Bonardet
Webmaster: F. Sarrazin

SELECTION COMMITTEE
F. Babonneau France
G. Centi Italy
M. Derewinski Poland
C. Fernandez France
M. Fröba Germany
A. Gédéon France
M. Lindén Finland
P. Massiani France

CONFERENCE FEES
Early-bird registration before 30 April 2008 550 €
Standard registration after 30 April 2008 600 €
Registration on site 680 €
Students with justification 360 €
Accompanying person 180 €

The registration fee includes attendance at the scientific program, book of abstracts, conference proceedings, welcome party, banquet and coffee breaks. The conference proceedings are not included in the student registration fee. The accompanying person fee includes welcome party and social evening.
